Bible Moms - Mother's Day Lesson

Scripture: Exodus 2:1-9 (Moses' mother), Luke 1:26-38 (Mary), 2 Timothy 1:5 (Lois)

Memory Verse: "Honor your father and your mother." Exodus 20:12a NIV

We meet a lot of moms in the Bible, and they all tell us something important about the role of being a mother. Moms protect their kids; they obey God; and they teach their children to love God. But even though our moms are imperfect, just like we all are, we are still called to love and honor our moms out of love for God.

Main Point: Kids will learn that God gave us Moms to love us and lead us to God.
