Children's Center

Raising a child is the most important job you will ever perform.

OUR PURPOSE

The purpose of the Children's Center is to provide care, education, and development for each child enrolled. It is our mission to help children reach their greatest potential, spiritually, mentally, physically, emotionally and socially. Children are READY for the future, SET in a firm foundation to GROW with God's guidance.

OUR VALUES:

1. Our children are safe.
2. Our children are loved.
3. Our children learn something, about God, themselves and the world around them.

A parent is the single most important person in a child's life, and as such, parents are welcome and encouraged to become an active part of the Children's Center.

CURRICULUM

Our core curriculum for Toddlers, Twos and Threes is ABC Jesus Loves Me. Our Four year olds use DIG: Develop, Inspire, Grow by Abrams Learning Trends. Other materials are used through the course of enhancement and we plan for and around the developmental level of each child. This is done through a center-based approach, which allows for the optimum development and learning through play.

PRESCHOOL FIELD TRIPS

Field trips are taken to enhance the unit of study. Planned trips are made to the Fire Station, Pumpkin Patch, Natural Science Museum, Jackson Zoo, Shiloh Splash Pad, and grocery store, to name a few.

QUESTIONS?

For more information, call 601.825.8686 or visit fbcbrandon.com/childrens-center

Our children learn about God, themselves, and their world.

DAILY ACTIVITIES

The children have a variety of developmentally appropriate activities including active play, science, art, reading, and manipulative play, which strengthens fine motor skills, and lots of outdoor play to build large motor skills.

AFTER SCHOOL PROGRAM

We provide care to children in grades K-5th grade at The Rock. During the school year, students are transported by van from Rouse, Stonebridge, and Brandon Elementary to the center. The direct line to The Rock is 769-241-2421.

SCHOOL-AGE SUMMER PROGRAM

We offer an exciting all-day program for our school-age children during the summer. Planned trips are made to the movies, MS AG Museum, Jackson Zoo, Bowling Alley, Natural Science Museum, Swimming Pool, Skating Rink, and various other locations! On campus activities include crafts, games, independent play, gym time and quiet reading times.

WORSHIP

Worship is held for preschool and after-school children throughout the month. Worship includes singing fun songs and a time of devotion. We want our children to grow in knowledge and worship of God.
