

Don & Karen Stauffer
VISION EVANGELISM
That All May See

Together, Don and Karen travel internationally with teams, attend conferences, and visit churches, sharing their enthusiasm for serving the Lord Jesus Christ through Crossworld Canada.

Their healthcare ministry, *That All May See*, provides vision care services including assessment, education, and glasses so that all may see *physically*.

They work with a team of committed volunteers in Canada to process used prescription glasses, which they distribute along with reading, safety goggles, and sunglasses as needed to people living in poverty around the world.

That All May See partners with like-minded ministries for the purpose of evangelism and discipleship that all may also see *spiritually*. Please pray that they will impact many with the message of hope in Jesus Christ. ***That all may see HIM!***

Don and Karen are active members of Grace Gospel Church, and have been supported through Grace Missions since 2020.

**STAUFFER'S MINISTRY FOCUS—
 SEPTEMBER 2025**

A "That All May See" team is traveling to **Uganda** from **Monday Sept 8th** to **Monday Sept 29th**.

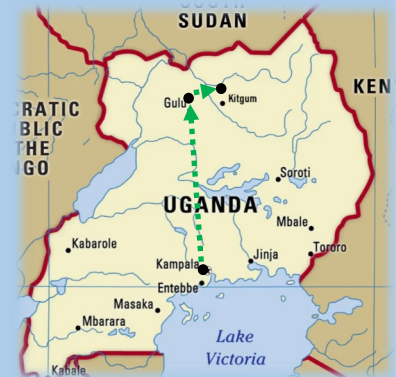

The team is **Don** and **Karen**, **Rachel** who is an RN, and **Shawn**, an American who has traveled with us on two other international outreaches.

We fly into **Entebbe** and overnight before traveling north by van to **Gulu** which, we understand, is an eleven hour drive. Once there we will:

- meet our Uganda team
- set up our clinic
- train our volunteers
- conduct 5 days of vision clinics there.

The second week will be in **Kitgum** and the process will repeat.

We are working in partnership with **Moses and Karen Odel** who are full time missionaries to Uganda under MissionGo. We hope to see a bit of the beautiful country on our way back to the airport.

PRAYER FOR THE UGANDA TRIP

Prayer is paramount all the time but especially while we travel to, work in and return from Uganda.

Please pray:

1. That God will be at work preparing the soil of the hearts for the seed of the Gospel that will be presented at each clinic.
2. That we will pack the right glasses in the right number for those who will attend.
3. For physical and spiritual health and safety for the North American and Ugandan teams in the air and on the ground.
4. That the supplies we are taking into the country will be admitted without additional costs like the last trip. **Pray that the supplies will be invisible to the authorities.**
5. PLEASE pray that the auto-refractor and supplies can be brought over from the US without issue; that all will work seamlessly; and that we can manage the programs without any support. (The gentleman who was the creator and tech support died this summer.)
6. Pray against the attacks of the evil one as we minister in an area that is rife with corruption and spiritual darkness.
