

## **ECHOES OF THE MISSIONARY PROJECT “UNTIL THE LAST HOUSE” Oliveira Family Mission Trip**

### **Juruá River, Solimões River, and Purús River**

Dear brothers and prayer partners,

Surely, some of you have wondered about the silence of the Oliveira Family after the Missionary Journey of the Project: *“Until the Last House.”*

Yes, we quieted our hearts, for so many things happened that we could only say: *“Many, Lord my God, are the wonders you have done, the things you planned for us. None can compare with you; were I to speak and tell of your deeds, they would be too many to declare.”* (Psalm 40:5).

Under God’s sovereign will, we remained with our boat for two months on the Juruá, Eiru, Tarauacá, Envira, Solimões, and Purús rivers.

We departed from Acre, in Cruzeiro do Sul, and went down the Juruá River, village by village, proclaiming that there is hope for all who believe in Jesus. Our main purpose was to proclaim the Good News until everyone can hear about the true love of God and be set free from the grip of witchcraft and superstitions that enslave so many in these distant and forgotten places.

We lived and experienced true miracles. On the Juruá River we visited Ipixuna, where we found a wonderful people and a church we have been accompanying for some time. It was beautiful to see that the church is led by local workers whom we trained at our missionary base in Curitiba and who have since returned to their region.

There, in addition to the church in the city of Ipixuna, we are planting three more missionary fronts: Poeira, Santo Antônio, and Morro dos Encarnados.

### **Morro dos Encarnados**

From there, we sailed to Eirunepé, where we also worked with local workers and are planting three churches in the city—two in the countryside and one in the city of Envira—all fully led by regional workers.

We left glorifying the Lord for the precious people we met along this journey, where God brought salvation and poured out great blessings.

There was days filled with blessings, struggles, and trials. Along this journey on the Solimões River, we were attacked by six armed bandits, which led us to a deeper understanding of the verse that says:

*“The angel of the Lord encamps around those who fear Him, and delivers them”* (Psalm 34:7). God gave us deliverance in such a miraculous way.

Mission accomplished. After two months of missionary journey, we distributed 600 Bibles, 370 “Heaven Cards,” 7 tablets to local workers, 80 food baskets, and we shared the love of God in many small communities. We prayed for the people and proclaimed God’s message so that *“whoever believes in Him shall not perish but have eternal life.”*

Now we are back home. Our mission did not end with the journey, for we are mentoring many workers along the Juruá and Purús rivers.

By the end of the year, we will be visiting churches, testifying about the missionary work in the Amazon, challenging people for missions, and encouraging and giving opportunities for Christians in the churches to join us in the task of reaching *“until the last house.”*

**IS IT OVER????? NOOOOOOOO!**

Soon... very soon... we will return for another missionary adventure. We are already preparing for the second stage of the missionary project "*Until the Last House 2026*", which will take place in March.
