# SELAH SUNDAY

REST REFLECT RE-CLARIFY

At our gathering on January 4<sup>th</sup>, we will come together and have a prayer experience. There will be different stations to lead us in seeking the Lord for 2026.

To prepare for our time together ask the Lord these questions this week:

What is a word/phrase that describes what God is doing in your life in 2026?

What is a word/phrase that describes who God wants to be for us as a church in 2026?
