Dear Friends:

We are once again beginning to work on the annual Share Your Christmas project and would like to update you on the plans to this point. Share Your Christmas is the only local organized gift project. Neither Toys for Tots or Wright County Human Services provides for this area. We serve families in Annandale and South Haven.

Last year Share Your Christmas provided food and gift cards for 80 families and 37 senior citizens. The success of this project is due to your devotion and generosity. We need your support again this year to continue this project.

Please start thinking now as to whether you will be able to help financially. Our funds are down this year so we have to lower the gift card amount. Our goal is to provide each child with a gift card valued at a total of \$40. Each family also receives a gift card to Marketplace for \$40.

Please contact Sally (320-260-6164 or sallysmith5@yahoo.com) or Joni (320-282-3631 or jtwalberg@yahoo.com) to let us know of your decision. We plan to mail out the gift cards the week of December 8th. Please prayerfully consider helping.

Thank you.

Sally Smith and Joni Walberg
