

# GOSPEL COMMUNITY

## GENERAL HUDDLE GROUP GUIDE

### HEAR & OBEY

~5-10 minutes

What is one thing God has been teaching you this week and how can you obey him?  
(This could be through life experiences, a sermon, scripture, a book, etc.)

### CONSIDER & SHARE

~40+ minutes

*Choose 1-5 questions and allow time for each person in the group to answer. Feel free to add your own.*

- How real has God been to you this week? How clear and vivid is your assurance and certainty of God's forgiveness and fatherly love?
- How have you sensed the presence of the Spirit in your life recently? How is your awareness of a growing spiritual light within, revealing more of the purity and holiness of God, the evil of sin, and the preciousness of Christ to you?
- How have you felt and exercised love towards others? Do you find yourself having a less judgmental spirit towards other Christians, those who struggle, or those who are deceived by sin or Satan? How have you been cold towards anyone?
- How has your conscience been recently? Is it growing more tender to convict you of the very first motions of sin in your mind, such as the onset of resentment; worry, pride, jealousy or lust; a desire for power, approval, and material comfort; or an over-concern for your reputation? How is your awareness and conviction of sins of the tongue, such as cutting remarks, deception, semi-lying, gossip, slander, inappropriate humor, or harmful statements?
- How have you seen signs of growth in the Spirit recently? What are examples of how you responded in a new way - with love, joy, peace, patience, kindness, honesty, humility, or self-control - in a situation that you previously would not have?
- How have you grown to discern false, idolatrous motives for some of the good service you do? Have you seen any ways in which you've been doing things you thought were for God, but are actually for other reasons? Are you seeing areas in your life where you are resisting the Lord's will?
- Are there any areas of unconfessed sin in your life that you need to repent of?
- Are there non-believers in your life that you sense God moving you toward? Have you responded in obedience? How or how not?
- In what ways have you seen how to be a better steward of the talents, gifts, relationships, wealth, and other assets that God has given you? Have you found yourself to be generous with these, or to keep them for yourself?
- Are you finding certain gospel promises extremely precious? Have any prayers been answered? Have you had any times of encouragement from reading or listening to the Word?

### BELIEVE & PRAY

~5-10 minutes

Spend time praying for one another. As you pray, remind each other of our identity in Christ.  
Spend time praying for one non-believer in your life by name.
