

Don Watson became the Director of Music Ministries at ERPC in 2020. In the time since, he has helped the ERPC develop a vibrant and varied musical component to our service.

His program features the Sanctuary Choir, the Praise Band, the ERPC Handbell Choir, soloists and special guests. The music ranges from traditional hymns and choral arrangements to contemporary songs, spirituals and originals. All are welcome to make their own joyful noise.

Don has been a performer on the valley since 1980. He continues his long-running après-ski show and performs all over the world with “The Vail Valley Band”.
