WHERE

Roundlake Christian Camp
Lakeville, OH

Wildside is a week-long camp for middle school students.

The week is filled with off-the-charts fun and amazing opportunities to connect with Jesus. Each day, students dig into God's Word during devos, hear encouraging and challenging messages about Jesus during Club, engage with energetic worship, and have time to talk through it all and process what God is doing in their life during small groups.

Leaders and students get to connect throughout the day by enjoying all the camp has to offer on the waterfront, in the gym, and through the insane crazy-fun activities our program team dreams up.

NO ELECTRONICS?

It's true! No cell phones, iPods, games, etc. Leaders will have phone access for emergencies.

This allows everyone an opportunity to engage with the people they are physically present with.
