# Baby Bottles

## What happens when I fill a bottle?

The cash, checks, and change that you give supports the life-changing work of meeting the physical and spiritual needs of women and men facing unplanned pregnancies.

You are helping families see the beauty and joy in a new life through the medical services provided here at PPS.

Your support makes this all possible. Thank you for how you care and serve families in and around Paulding County.

## HOW TO GIVE

Pick up a bottle.  
Fill with coins, cash, or a check
