

FAMILY CONNECTION

Use the following thoughts and questions to have a spiritual conversation as a family. Don't emphasize having the right answer, but focus on spending time discussing the Word as a family.

SCRIPTURE | Genesis 1:1-5,26-31; 2:7

SESSION SUMMARY

This week, we'll be taking a look at a familiar story: creation. Through looking at the care and consideration God put into creating the world and human beings, we'll see that our good Creator wants a relationship with us. Here are the key takeaways:

- Everything God created is good.
- We were created for relationship with God and others.

CONVERSATION QUESTIONS

- How can our family worship God as our Creator this week?
- Why do you think it's sometimes difficult for people to remember that all God created is good? How can we help each other remember that?
- Since it's important to seek God in community, what steps can our family take to seek God together? Are we seeking Him in community with other believers? What steps can we take to seek God with the people in our church?

FAMILY CHALLENGE

Choose one of the ways to worship God as Creator from the first question. Plan a night this week to worship God together. Find ways you can make it unique and fun for your family, whether it's playing and singing worship songs together, going for a hike and sharing about all the beauty you see in God's creation, or sharing a meal together and thanking God for the way He provides food for us to eat.
