## New Newsletter Format News

We are continuing the new quarterly format for the newsletter we began in May. The thought process behind this change is to scale down the volume of information contained in the newsletter and emphasize upcoming events, meetings and services in the life of our church family. You are receiving this newsletter for the July/August/September quarter of 2025. As always, extra copies of the newsletter

from you because we want the newsletter to be a valuable tool for the church family. The feedback we receive will have a great impact on future newsletters.

Remember that I love you and God loves you and nothing can stop God's people who are about God's purpose.

Looking Forward,  
*Brother Michael*

will be available in the narthex.

If you did not respond in May, I invite you to read through this new newsletter format and let us know what you think. Is something missing that you look forward to seeing? Do you read the newsletter? Is this too much information? We want to hear
