Transformed: The Miracle of Life Change

Session 3: Where Do We Get the Power to Change? Pt. 1

www.livingontheedge.org by Chip Ingram

1. Have someone read out loud Romans 8:31-39. Spend a few minutes together in prayer and praise. Center your prayers on the good work of Jesus and the victory that is yours.
2. What stands out most to you from Chip's teaching this week?
3. The central figure of scripture is Jesus. Have someone in the group read Colossians 1:15-20. As a group, make a list of all the phrases that show the supremacy of Christ.
4. From the same passage in Colossians 1, which description of Christ's supremacy most connects to you personally? Why?
