

Parent Cue: Build Fire

"So Moses thought, "I will go over and see this strange sight—why the bush does not burn up."When the Lord saw that he had gone over to look, God called to him from within the bush, "Moses! Moses!" And Moses said, "Here I am." Exodus 3:3-4

I AM FILLED WITH GOD'S FIRE, SHINING BRIGHTLY WITH LOVE, STRENGTH, AND KINDNESS.

Today's story

Today, we learned about Moses and the special fire he saw in a bush that was burning but not burning up. God called Moses from the fire, and this showed Moses that God is powerful and always with us. Sometimes, we need to go far or look carefully to find God's presence, just like Moses traveled to see the burning bush. The lesson reminds us that God's fire is full of love and power, and when we seek Him, we can discover His special presence in our lives.

Love Challenge- Seek God's Presence: Take a special walk outside or sit quietly together. Look for signs of God's love in nature—like the warmth of the sun, the beauty of trees, or the sky. Talk about how God's love is always around us, even in small things.

Serve

Challenge #3:

The Serve Challenge encourages families to show God's love through simple acts of kindness and help. Together, you can identify someone who needs support, plan a thoughtful way to serve them—like helping with chores, sharing a note, or giving a hug—and then do it with joy. Afterwards, take a moment to talk about how serving made everyone feel and thank God for the opportunity to love others. This challenge helps kids learn that serving others is a powerful way to reflect God's love, just like Moses responded to God's call to serve His people with kindness.

Share

Challenge #4:

The Share Challenge encourages kids and families to spread kindness and God's love by sharing something special with others, such as a kind word, a smile, a toy, or a note. Together, you can choose a way to share and then do it with cheerful hearts, remembering that sharing God's love makes a big difference.
