The background of the entire image is a photograph of a swimming pool. In the foreground, the back of a person with long, wavy reddish-brown hair is visible. In the middle ground, a young boy is holding a large, multi-colored beach ball (white, orange, green, and blue) above his head. Other people are partially visible in the pool. A chain-link fence is in the background, and there are green trees behind it. Overlaid on the image is a QR code with the text "SCAN TO WATCH" above it and three yellow arrows pointing towards it. The text "experience just one day." is written in large white letters across the middle, with a yellow underline under "just one". At the bottom, the "abilitytree" logo and website URL are present.

what is ability camp??

Our mission at Ability Tree is to come alongside families impacted by disability by providing R.E.S.T. — Recreation, Education, Support, and Training. Ability Camp is just one way we do that! It's a faith-based sleep-away camp designed for adults with disabilities. Our hope is that camp offers a haven where individuals can experience joy, belonging, and spiritual growth. Campers build life-long friendships with peers and counselors, while experiencing the fun of activities like archery, rock climbing, swimming, art, and so much more.

locations

Currently, Ability Camp sites are rented in two states, with 3 available weeks for 105 total campers.
