THE YEAR ON THE MOUNTAIN

This year we will be spending the entire year in the Sermon on the Mount found in Matthew 5-7. Jesus introduces a new way of living: A way of life that doesn't just go through the motions or seek the next thrilling experience, but a way of life that is filled with purpose and meaning found only in Jesus.

EAT TOGETHER

On Eat Together nights, we will have dinner together in the LH room. We believe that there is something special about having a meal together, that's where relationships are formed and deepened.

SERVE TOGETHER

On Serve Together nights, we will take time in our night to help serve others in our community. We see time and time again that Jesus modeled service in His ministry and we believe He invites us to do the same. This could be writing letters to folks in retirement homes or maybe bagging food for people in need.
