Workers earn it, spendthrifts burn it, bankers lend it, children spend it, forgers fake it, taxes take it, dying leave it, heirs receive it, thrifty save it, misers crave it, robbers seize it, rich increase it, gamblers lose it . . . I could use it. What are we talking about? MONEY!

Why talk about finances? Because money problems can be a monster. There is always someone who needs or wants our money. As one comedian said, "After looking at the bill for my surgery, I understand why doctors wear masks in the operating room."

With people struggling to pay student loans, child care, mortgages, groceries, utilities—couldn't we all use some extra training in biblical money management and financial wisdom? Dave Ramsey coined the phrase "financial peace." Let those words sink in for a moment. Wouldn't financial peace be wonderful?

So much of life is about money. Countless time is spent earning it, budgeting it, spending it, saving it, and giving it. From a young age we know the power money can hold in our lives. We can't afford not to hear what God has to say about money.

"Where your money is, there your heart will be also." Second only to the Kingdom of God, Jesus talked about money more than anything else. Why? It's not because Jesus wanted people's money. Jesus wants people's hearts. He knows that what we do with our money often blesses or plagues us and our families. Money reveals what we truly love.

God has much to say about finances and the stewardship of money. I think it's because He knows what a trap it can be for people. It's still the number one issue married couples fight over. Mismanage money, and it will cause sleepless nights. Of course God wants to help us in this area.

In our new sermon series, we will explore the powerful, life-changing principles of stewardship and generosity that can shape and change our lives for the better. God wants us to be money-wise and He has much to say about how we use, spend, and treat money. It turns out the secret to financial security isn't a secret.

Newcomers Reception

On Sunday, January 25, following each morning service, we will be holding a newcomers reception in the Fireside Room. If you are newer to Lincoln Christian Church, we would like to take about ten minutes of your time to introduce ourselves to you and give you some information about next steps. This will help us get to know you and put a name with a face. We have a small gift for you as a way of saying "thanks" for attending. No signups necessary.

Join us for the Next Steps Experience

Join us for a one-hour experience where we walk you through the next steps on your spiritual journey—faith, friends, making an impact. It's a "road trip" that you won't want to miss.

This experience is great for people new to Christianity, new to Lincoln Christian, or for those who have spiritual questions. Hosted by Brandon Boyd, Minister of Adult Discipleship.

Register at lincolnchristianchurch.org/events.

YAY!!! IT IS 2026!!! Last month we gathered together with loved ones to celebrate Christmas. Our hearts were filled with joy, gratitude, and wonder. The story of Christmas is a reminder of God's incredible love for us. I enjoy reading Luke 2 with my family every Christmas season. It is one of our family traditions every year. This part stuck out to me this year: Angels proclaim, "Do not be afraid. I bring you good news that will cause great joy for all the people. Today in the town of David a Savior is born to you; he is the Messiah the Lord." Luke 2:10-11. This message is for every family, every heart. It reminds us that no matter our circumstances, God's love reaches us. I hope you took some time to reflect on the true meaning of Christmas. I also hope you all were able to participate in every one of your favorite family traditions this past season. What are your favorite Christmas traditions? Come and tell me what your favorite ones are. I would love to hear about them.

As we get a new year on the way, it's natural to look back and look forward. The New Year offers a fresh start for new goals and new opportunities. I also enjoy the New Year celebrations. It is such an exciting time, especially for kiddos. We get to stay up late saying goodbye to an old year and hello to a new year. We wait for a clock to strike midnight, and then we make fun resolutions with our family. God loves new beginnings. The Bible tells us that when we follow Jesus, He will make us a new creation. He forgives us. He helps us grow, and He is with us. Maybe last year there

were things that made us sad, or there were mistakes that you made. We can start anew this year if we ask God for a new start. I pray that in this new year, you think about how you can be more like Jesus. Maybe you want to be kinder to your friends, help at home, or spend more time talking to God. Most of all, remember, you don't have to do it alone. God is always with you, cheering you on!!

Some things to think about as we start the New Year:

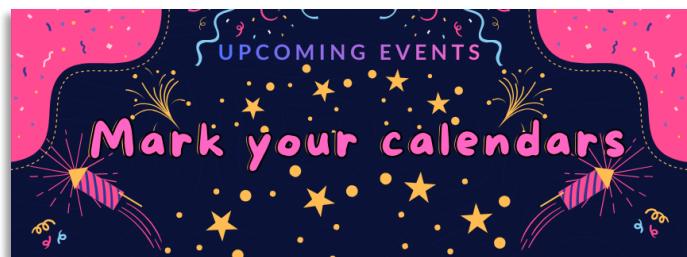

1. What is something new you want to try this year?
2. Is there something you want to ask God to help you with?

There's so much to look forward to in the New Year. I pray that this will be an amazing year for you!

GLOBAL IMPACT

Orchard Group

Tanner Green serves with the Orchard Group as the New England General Director. His main role is the recruitment, training and support of church planters in New England. New England is considered the least-churched area of the United States and we are excited to partner with Tanner and the church planters he supports to change this region with the Gospel. Tanner and his wife Bethany have three children and live near Boston.

Tanner reports that Beacon Church, located in Derry, New Hampshire, turned four years old this fall. In December 2024, Beacon Church moved to their own 24/7 facility. Since that time, their congregation has grown from 140 to

over 220 people. This group of 220 people was able to help 100 families by partnering with five organizations in their community during the recent Christmas holidays.

Throughout the past year, we've been praying for the Iron Coast Church which launched in Brunswick, Maine in March 2025. They've already baptized 82 people and are averaging over 250 people each week! Iron Coast Church currently meets at New Brunswick High School.

Continue to pray that the light of Christ will flood the New England region!

Global Impact Team Leader

UPCOMING VOTE

An Elder vote of affirmation will take place on Sunday, January 4 at the end of each service.

LOCAL IMPACT

LCC's Furniture Ministry

In case you haven't heard, Local Impact has a furniture ministry! Here's how it works: people donate furniture to the church, and the Local Impact Team gives it away to people in need. During 2025, we gave away 59 pieces of furniture to 20 families. The people who donate the furniture are thankful that others can use their items and that they do not have to worry about what to do with the furniture they are replacing. And, of course, those who receive the furniture are blessed. Surprisingly, often those who feel the most blessed are the folks from our church who help load and deliver the furniture. They get a front row seat to see the joy on the faces of the people who receive the furniture! Above all, this ministry is another way that we can witness to others when we tell them why we do this ministry—to share the love of Jesus!

If you have furniture you'd like to donate, please contact the church office and they will help you make contact with the Local Impact team. Thank you for your donations!

Larry Simonson
Local Impact Team Leader

Widows of Wisdom
