

# BELLE AIRE PRESCHOOL

FOR AGES 6 MONTHS (AS OF SEPT 30)  
THROUGH DEVELOPMENTAL  
KINDERGARTEN

## Curriculum

Our teaching program is designed to provide an opportunity for preschoolers to interact in a friendly, happy, and Christian environment. Preschoolers will have developmentally appropriate learning experiences in an environment that nurtures their physical, mental, emotional, and spiritual growth. Our program is carefully planned to provide successful opportunities for preschoolers to investigate, discover, and learn about the world around them. Two teachers in every classroom.

The activities of a typical day include:

- Activity/Learning Centers
- Music and Rhythms
- Language Development, Letter, and Numerical Literacy

\*We use a combination of a letter/number of the week curriculum based on the “Handwriting Without Tears” curriculum and theme weeks that incorporate social and cultural themes.

- Bible lessons and Scripture memory
- Outdoor Play and Motor Skills Activities
