Christmas Offering 2025

Every December the Missions Committee presents mission opportunities for our congregation to support financially above our monthly giving. This year we are excited to support GTI Hope, which is our ministry effort to unreached people groups in India. The Christmas offering will provide 10 new sewing machines for one of the groups in India that have already received literacy training and biblical instruction. We are also raising support for an initiative led by one of our supported missionaries Anees Zaka in distributing food and medicine in Egypt this holiday season. Finally, we are also dedicating a portion of the offering to a missionary requiring funding in a sensitive and undisclosed area. To give, you may do so by selecting "Christmas Offering 2025" when giving online, or list "Christmas Offering" on the memo line of your check made payable to Proclamation Presbyterian Church. Any donation received will be split between these three missions proportionate to the need.
