Meet our Missionary: Katherine Parker

Wednesday, August 23 | 7:30 - 9:00pm

Wednesday, August 23 | 7:30-9:00 pm

Fellowship Hall

Here is a unique opportunity to meet with our missionary in Nepal, Katherine Parker. Katherine is from Marin County, so we call her "ours."

You will learn from slides and video what her mission work entails and what life is like in Nepal. A big part of a missionary's work is to "mission" to folks on the home front. We want to be involved in the work of bringing love and justice to places as far away as rural Nepal.

We will invite you to contribute toward a freewill offering to support Katherine's mission. Bring your checkbook! We want to be a sponsoring church so that Katherine knows she can count on our support.

All ages are welcome, and if you need childcare for small children, please call the church to register in advance. There will be time for questions and conversation and then light refreshments.

ASBURY COMMUNITY

Tiny Homes Task Force: Update

The Tiny Homes Task Force continues researching the amazing mission opportunity of having tiny homes for the unsheltered on Asbury's back lot. Because this mission is serious and solutions are complicated, involving several partners besides the church, many questions remain unanswered at this time. But the task force and its subcommittees are still hard at work on several fronts. Conversations are underway with the City of Livermore, La Familia (a possible social service partner), and Firm Foundation (the nonprofit preparing the architectural plans, looking for the funding, and eventually overseeing the construction).

As always, everything is still dependent on the approval of the congregation, the denomination, the city, the funding source(s), and the social services provider, among others. The hope is to submit an application to the City of Livermore in the next couple of weeks, after which another letter will be sent to the neighbors with whatever answers we have for the more than 200 questions submitted by neighbors, community members, congregants, and other interested parties. The task force will then hold a series of four small-group neighborhood meetings in the coming months.

Thank you all for your patience and prayers. The Task Force continues the slow process, holding in prayer the congregation, our neighbors, and those potential residents so desperately in need of supportive housing. If you are interested in helping the task force, please let Rob Rudd, Pastor Kathy, or Martina in the office know.

Asbury Masking Policy

Alameda County is following the CDC guidelines for masking. When community transmission is low, masking indoors may be optional. When community transmission is medium or high, masking indoors is strongly recommended.

Asbury will follow the CDC guidelines, and we support and encourage mask wearing indoors, especially for those with underlying health conditions or who are not fully vaccinated and boosted.
