- ✦ A 10% late fee will be applied to tuition received more than 10 days from the due date.
- ✦ Students are enrolled for an entire year from September through May. No tuition adjustments will be made for absences including vacation, snow days or early withdrawal. Should the school need to close due to COVID-19, and tuition has been paid, you are not entitled to any refund for the times the school may be closed for that month. No additional money will be due until the school reopens.
- ✦ Written notice of intent to withdraw a student must be received by the Director two (2) weeks prior to the beginning of the month in which withdrawal occurs. Monthly tuition must be paid through the last month in which attendance occurs.
- ✦ The Health Inventory, signed by your child's doctor, and the Emergency Card, signed by the parent/guardian, must be submitted to COBLC before the child's first day of school. As mandated by the Maryland State Department of Education, students may not begin school without all of the required forms completed and returned to COBLC. More information about Child Care Regulations is available at:
www.marylandpublicschools.org/MSDE/divisions/child_care/licensing_branch.
- ✦ Communication is important for providing a positive preschool experience. The COBLC staff will communicate with parents through monthly newsletters, email, REMIND text messages, bulletin boards outside the classroom, notices in the tote bags, conferences, phone calls, etc. Maintaining good communication is a joint responsibility.
- ✦ COBLC is not able to provide special services for children whose individual needs necessitate a change in the environment, programming, or staffing of a class. If the staff determines that COBLC cannot meet the needs of a child, the parents will agree to withdraw the student. Parents should recognize that it is the right and obligation of COBLC to ask parents to withdraw their child if the staff determines that the child's behavior threatens the health, safety, or quality of learning in the classroom. The director will make the determining judgement in all cases. The remaining tuition payments beyond the month of termination will not be expected.
