

Where are all the different places that you have met with fellow believers to share the Lord's Supper together?

What kinds of people met with you?

What are your commendable Christian qualities?

What kind of secular authority do you have?

How does the secular authority you have affect the way that you demonstrate your Christianity?

And on the flip side...

How does being a Christian affect the way that you use your secular authority?

Some things to pray for that we don't usually pray for:

Mental Health and compassion to support those who struggle with such issues. Peace between coworkers and classmates. Our personal and congregational plans. The justice system and those involved with it. A deep personal passion for the study and application of God's word. Financial Wisdom.

Laughter, joy, and happiness can be shared with others.

Courage and love to do and say what is right toward all the people in our lives.

Help us build healthy relationships at church and in our community.
