Being Led to Lead People to Jesus Acts 8:25-40

Defining The Gospel

The “Good News”

that God has provided a way for sinners (people who have disobeyed God) to avoid divine condemnation and to be made eternally right with Him, through the death of Jesus Christ, as a payment for sin (disobedience to God), through His resurrection, for justification (being declared right with God), and through personally receiving Jesus as Lord (Ruler) by repentance (changing one’s mind) and faith (placing full trust in Him).
