

## Parable of the Ten Minas

Luke 19:11-27 | August 3, 2025

### DISCUSSION STARTERS:

What is the best vacation or getaway you have experienced to date? What made that vacation or getaway worth the money you spent?

What seems to be the most important return on investment for you? (e.g. experience, relationships, material?)

### DISCUSSION:

Read Luke 19:11-27

- Why do you think the people surrounding Jesus had such a misplaced view of how Jesus would fulfill his role as Messiah/Savior?
- Have you ever placed an expectation on Jesus that He never promised to fulfill?
- What might have motivated the servants in this parable to put the master's money to work?
- What are some motivators for us to serve Jesus well (both good and perhaps, not so good)?
- How do you honestly feel about the day you stand before Jesus and give an account?

### NEXT STEP:

Read Ephesians 2:8-9

- Remember it is God's grace alone that compels us to follow Jesus and bless others!
