Hands & Feet Ministry

Hands & Feet Ministry was established to bridge the gap between our church and the local community's needs. As needs arise, the Hands and Feet contact list is notified, and leaders organize groups to make sure that needs are met. These needs could be anything from needing help cleaning the house/ needing some meals/ help moving. If someone is lacking support, the H&F community is here to help. If you would like to join our team or know of someone in the community who needs a hand, please contact us.
