

Neighboring Ideas for Christmas

Cookies and Hot Chocolate – Simple, sweet, and just right for the Christmas season! Put on your favorite Christmas playlist in the background and invite the neighbors over.

Caroling – An oldie but a goodie! Go as a family or recruit your BFG. See how many neighbors will join you along the way.

Neighborhood Christmas Tree – If your HOA isn't too big of a grinch, dedicate a tree, or large bush for you and your neighbors to decorate together.

Christmas Decorations Tour – Organize a progressive tour to admire homes decorated with Christmas cheer. Participating houses can serve small bites, and everyone can meet up for a carol sing at the end.

Small Gifts – Play Santa to your neighbors by dropping off a small but thoughtful gift. Cookies are always appreciated and it's a great way to involve the whole family.

Help the Elderly or Disabled Decorate – Talk to your neighbors who might need some help putting up decorations and be a blessing to them. Just make sure to help take them down once Christmas is over.

Something Hot in a Pot – Need we say more? The cold winter months are perfect for a hot dish potluck.

Organize Neighborhood Snow Shoveling – Met anyone who loves shoveling their driveway? Us neither! Many hands make light work.

Mail Watch - Staying at home for Christmas? Offer to check mail or pick packages.

Christmas Eve Service – At FBCW we have a wonderful, sacred time of worship each Christmas Eve where the gospel is clearly presented. Invite the neighbors!

Share a unique tradition – Maybe it's something you did growing up or it's from your home culture. Invite neighbors over to share something special.
