MERCY HOUSE

MOUNTAIN TOP EMERGENCY RESOURCE CENTER FOR YOU

An Extension of **St. Stephen Baptist Church**

A Prince George's County (MD) Community Resource Hub

About Us

As an extension of the **St. Stephen Baptist Church**, the MERCY House demonstrates God's love by alleviating human needs in the community. Although our main activity is providing **FREE clothing, shoes, accessories, and household items**, we coordinate and participate in several outreach efforts in the community throughout the year. Through several community partnerships, we connect people to resources in a multitude of areas including shelter referrals, mental health and health care, employment, domestic violence, caregiving, and veteran's affairs. The MERCY House was established in 2007 by Bishop Lanier C. Twyman, Sr.

Our Resources

MERCY House has resources to assist in the following areas:

- Domestic Violence
- Mental Health
- Homelessness
- Alzheimer's & Dementia
- Seniors
- Job Skills & Work Readiness
- Veterans
- Caregivers
- Social Services
- Mentoring
- Suicide & Crisis Prevention

Our Initiatives

MERCY House partners with local organizations to provide **Safe Haven Grab & Go Bags**. These bags are filled with essential items to assist those escaping domestic violence situations.

Every August, MERCY House and St. Stephen Baptist Church sponsor a free **School Uniform & School Supplies Giveaway** for students.

Each winter, MERCY House chooses a local school for a **Winter Coat Drive**. Students are blessed with coats as well as hats, gloves, and socks to keep them warm.

MERCY House works with our community partners to **host forums and workshops** on a variety of topics, including mental health, caregiving, Alzheimer's, and domestic violence.

MERCY House has been able to assist those experiencing homelessness through our **Pack-a-Purse or Shaving Bag** collection drives and **Warm Heart Blessing Bags**.

*Healing this community and beyond, lives are transformed through **Christ's love, grace, and compassion.***
