

Welcome To

To help you feel comfortable with drop-off, here are some important things:

During service, any child with the tag will be in one of our classes.

During service, only students and adults with tags will be allowed in KIDS.

Your child will receive a drink and a snack during service.

Your child may also go outside with their class during service.

We are currently learning the 10 Commandment series!

Your child should go home with some craft or story from today's lesson.

You might also get Bible Bucks, our reward system for elementary kids.
These can be redeemed with Devan either before or after service.

If you have any questions not listed please contact our KIDS ministry
director @ kids.stccc@gmail.com.

Or find our handbook and parents page online @ stccc.church.
