FAMILY INITIATIVE

Parenting Classes

27 Families Served (Parenting Cohorts & Retreats)

Here are a few quotes some of the participants shared with us:

"This class is not only going to help me with my parenting skills but help me with my relationships with others." -**C. Sheadrick**

"Parent 2 Parent class has helped me work through some past childhood traumas. I feel as if I have received free therapy sessions." -**L. Mitchell**

"I am going to start implementing the 40 developmental assets in my parenting, to become a better parent. My kids deserve the best." -**A. Key**

Relationship Retreat

26 Participated in Relationship Retreats

\$12,000 of Clinically Led Sessions Provided

Our pre/post surveys showed that all parents grew in tremendous ways throughout the course.

-100% of parents acknowledged they don't have to be self-sufficient but can lean on their community.

-100% of parents said they bring more strengths than weaknesses to their parenting now.

-100% of parents said their child/children have higher school attendance, are reading more, and handle conflict better because of the tools from this class.
