

*Help plant churches statewide.*

**Andy Vital | Glory City Church, South Florida**

**Pray for all cultures to be reached.**

Please pray with Andy Vital, church planter, Glory City Church in South Florida, for Florida Baptists to step up in church planting to reach the many cultures throughout the Sunshine State. Vital, a second-generation Haitian, embraces his calling as a church planter and is grateful for Radiant City Church in Boca Raton, pastored by Cliff McCray, which is the sending church for Glory City Church. Radiant City Church, at just a few years old itself, understands the urgent need for Florida Baptists to work together to plant churches, particularly in reaching all cultures with the gospel of Jesus Christ.

**Wilson Cordeiro Jr. | Primeira Igreja Batista em Clermont**

**Pray for Brazilians who are moving into Florida.**

Please pray with Wilson Cordeiro Jr., church planter, Primeira Igreja Batista em Clermont, for the many Brazilians who are making their new homes in Florida. The Brazilian community in the U.S. has grown exponentially in the past decade, with future projections indicating a greater increase. Florida welcomes a large number of Brazilians, and Florida Baptists are praying that our new Brazilian neighbors will come to know Jesus Christ as Savior and Lord. Brazilian church plants are a key to reaching these newcomers with the gospel.

Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be the glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.

God is already doing an amazing work – let's join with Him in advancing the Gospel.

Florida is a beautifully diverse state with abundant gospel opportunities. As we desire to live out the gospel, we do so with radical generosity.

Our partnership makes a difference in the whole world. But the question remains... How can we, as individuals and as churches, do more to advance the gospel across the state of Florida? The answer is to support the planting of new churches to reach diverse communities with the good news of Jesus.

Florida Baptists' gifts through the Maguire State Mission Offering provide critical funds every month (for up to four years) to help church plants launch across the state. Your generous gifts, prayerful commitment, and unified participation through this offering help #ReachFlorida.

You are partnering in the advancement of the gospel and propelling young churches as your prayers and financial resources lessen the burden they carry and provide encouragement to those who are laboring in some of the most challenging environments in our state.

Will you continue to do more for the kingdom and support church planting by giving through the Maguire State Mission Offering?

*Help plant churches statewide.*

*Immeasurably More*

EPHESIANS 3:20-21

**Church Planting**  
*Prayer Guide 2025*  
**Maguire State Mission Offering**

#RightBesideYou

Join us as we pray.

David Uribe | Iglesia Local, Jacksonville

### Pray for new churches to find space to meet.

Please pray with David Uribe, church planter, Iglesia Local, Jacksonville. The young church that Uribe leads was blessed to be able to move into a building of an established church that had closed its doors. Other church plants may not be as fortunate. Finding the right space in the right location at the right price is often one of the first challenges that church planters must address as they fulfill their calling to church planting. Established churches may help meet this need in many ways such as providing financial assistance for a church plant to purchase or rent a facility, sharing space that a young church plant may use as it becomes a gospel presence in the community or helping the church plant find a more creative solution to the challenge.

Eric Mitchell | Launching in Pace, FL

### Pray for the launch of new churches.

Please pray with Eric Mitchell, church planter, Cornerstone Baptist Church, Santa Rosa County. Pray for the launch of new churches throughout Florida. Church planting is a long, arduous process that doesn't happen overnight. Even before the church plant holds its first worship service, much time, prayer and effort have paved the way. It's a cooperative venture with many others, including a sending church, vital to the church plant's ultimate ability to reach individuals with the gospel. Pray that other churches, like Hillcrest Baptist Church in Pensacola, which is the sending church for Cornerstone Baptist Church, will embrace the opportunity to be a sending church for new church plants.

Jay Mudd | Village Point Church, Winter Garden

### Pray that churches are multiplied.

Please pray with Jay Mudd, church planter, Village Point Church in Winter Garden, for the multiplication of new church plants throughout Florida. With the growing population of the Sunshine State, churches need to be multiplying at a rate of 4% annually; right now, according to Send Network Florida, that multiplying rate is 2.3%. Church planter Mudd knows all about the multiplication of new church plants. As he is planting Village Point Church, Mudd, who also has planted a church in New England, is preparing other men to answer the call to church planting.

## Maguire State Mission Offering

### Statewide Goal: \$1,000,000

#### Florida Stats:

23.4 Million Floridians • 300,000+ Annual Population Increase  
Over 162 Church Plants in the Assessment Pipeline

#### Current Church Planters in Send Network Florida:
