This week, we are learning about spiritual growth. We are created to grow! According to Hebrews 5:12-14, followers of Christ are expected to grow and mature in their faith. As a follower of Christ, there are several ways to grow. Let's review the 4 "pillars of growing".

Discussion Questions

Prayer: *Read 1 Thessalonians 5:16-17*

- How is your prayer life with the Lord?
- How has your prayer life changed and grown as you have grown in Christ?
- Additional Bible verses about prayer:
 - 1 John 5:15-16, 1 Chronicles 6:11, Ephesians 6:18.

Word: *Read Psalm 119:11*

- When is your favorite time to read and study the Bible?
- How does God's Word help prepare you for life's challenges?
- The Psalms sing of God's Word. Read the following Psalms: 1:1&2, 119:160, Psalm 33:6, Psalm 119:89
- What does the Psalms say about God's Word?

Witness: *Read Acts 1:8*

- Have you shared your testimony with a family member, friend or co-worker?
- How has your faith been encouraged by the testimonies of others?
- Read Revelations 12:10 & 11
- How do the brothers and sisters overcome the devil?

Fellowship: *Read Hebrews 10:24&25*

- How can we encourage others?
- Read Acts 2:42, Proverbs 27:17, Romans 1:11-12
- What benefit is there in fellowship?

Living It Out

After learning about growing spiritually through prayer, the word, our witness, and fellowship, what is one area you can grow in this week?

Daily Action Steps:

- Make a plan to grow in one area this week.
- Share your plan with a trusted brother or sister in Christ (possibly a spouse, friend, or pastor).
- Set aside a designated time to “abide” in Christ (prayer, studying the Bible, worshiping, etc.).
