This week's study dives deeper into Sunday's message about devotion to the Body of Christ. The early Church didn't just attend gatherings—they committed their lives to Jesus and to each other. Let's explore how our devotion builds a strong and Spirit-filled church today.

## Discussion Questions

### **READ Acts 2:42a & 2 Timothy 3:16–17**

- Why is learning God's Word foundational to building a healthy church?
- What spiritual habits help you stay devoted to Scripture?
- How can you encourage others in your group to grow in the Word?

### **READ Acts 2:42b–44 & Hebrews 10:24–25**

- What's the difference between attending church and belonging to a church?
- How has Christian fellowship helped you grow or heal?
- What can you do this week to include someone who may feel left out?

## READ Acts 2:45-47, Colossians 4:2 & 1 Peter 4:10

- What helps you stay committed to spiritual growth, and what challenges do you face?
- How can deeper fellowship help us stay strong in faith and community?
- In what ways can we worship, give, and serve with joy and sincerity this week?

## Living It Out

Ask the Holy Spirit to highlight one area where you need to grow in commitment—whether it's spiritual growth, deeper fellowship, or joyful service.

### Daily Action Steps:

- ***Open the Word Daily:*** Read Scripture for 10 minutes and ask, “Lord, what are You saying to me today?”
- ***Reach Out Intentionally:*** Encourage someone from church daily through a text, call, or prayer.
- ***Serve with Purpose:*** Ask God who you can bless today and take one small step to serve.
