

## Tuition Rates Update- August 2025.

Memo- July 25, 2025.

Dear Parents, please see the attached Tuition Rates Update for the school year 2025-2026. While we strive to maintain competitive pricing, we are a small, non-profit childcare center that provides high-quality, faith-based curriculum, and all meals. As costs increase, the daycare has to adjust our fees to be financially sound. Thank you for choosing Kids First.

Registration- 1 child \$80.00 2<sup>nd</sup> sibling \$60.00, if 3<sup>rd</sup> \$40.00. Annual Registration is the same as initial registration, (\$80.00 or \$60.00 for second, \$30.00 for 3<sup>rd</sup>) due each year in September, will be posted on 9/1, and due 9/30.

\* DEPOSIT- Effective 8/1/25, Upon enrollment, one week's tuition is required as a deposit. This amount will be credited toward your child's final week at Kids First Daycare, provided we receive a written three-week notice of termination, and tuition is paid in full for at least two of those weeks. Attendance during the final three weeks is optional. Families can receive a sibling discount of \$20.00 off the oldest child's weekly tuition, when both children are 4 days or more.

New tuition rates, effective Monday, 8/25/25. Tuition is due each week regardless of attendance; you are paying for your enrolled spot. If qualified, one week of vacation is given per school year, defined as 8/1-7/31, meaning no attendance and no tuition. To qualify for this, you must have been here 6 months, your account must be current, and you must notify the director 2 weeks in advance. We do close for one week at Christmas, unless you are using your vacation week; tuition is STILL due. We use those fees to pay our staff and the curriculum fees for that week. Tuition is due on Friday, the week before, for the following week of care, and considered late if not paid BY that Monday at 5:00 pm. (Late fees will be added).

Tuition is DUE weekly, on Friday, for the following week, and MUST be received online in Bright wheel BY 5:00 pm Monday or late fees will be assessed. (\$35.00 late fee if not received by 5 pm Monday, and \$10 a day.) If a payment is returned, there will be a \$35.00 ACH return fee applied to your account. Sibling discount, if both 4 days or more, \$20 off oldest child's tuition.
