### Thank You

We would like to extend our deepest thanks, appreciation, and gratitude for all of the cards, prayers, support, encouragement, and financial contributions we've received, as we approach Chris's upcoming prostate cancer surgery at the end of June. Even though we knew the prostate cancer needed to be addressed at the stage it is at, along with Chris's family history and age, the decision to proceed with treatment has been trying on our faith, and has weighed heavily on our minds and hearts. The care and concern so many of you have expressed has helped us immensely in the decision to proceed with the surgery, no matter how challenging the recovery will be, and how life will look from here forward. We are so blessed to be part of this church family, and thank God for so many loving and caring Brothers and Sisters in Christ. We hold close to our hearts Philippians 4:6-7 & 13, as we embark on this journey, knowing Christ is with us every step of the way. God's blessings.

~Chris and Becky Christianson

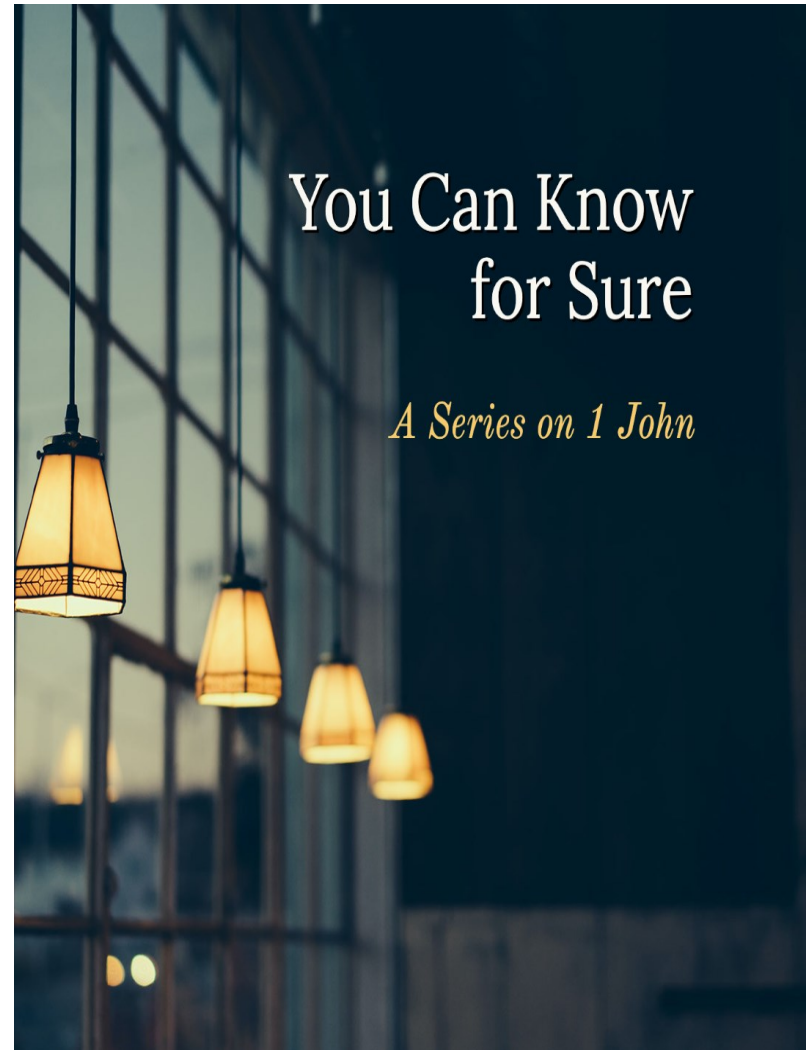

Thank you for all the meals that were dropped off after Lynn's surgery. They were much appreciated. We are so blessed to have such a great church family.

~The Hoftiezers

Thank you to all the volunteers who made VBS a huge success once again this year. There is no way it could be pulled off without you. Each one of you played an important role in making it happen! See you next year!
