Sermon Notes

Why is Believing So Easy or So Hard?

It was so easy for children to come and believe in Jesus, but for the rich young ruler it was so hard. Jesus wants us to know a few things:

- We have an over-inflated sense of Personal Goodness (Mark 10:17-20) “All these I have kept since I was a boy”
- We have an underestimated sense of Jesus’ love (Mark 10:21) “Jesus looked at him and loved him”
- We have an invitation that is available to everyone (Mark 10:22-31) “Who then can be saved?”

Prayers And Praises

- ~That the Transformers ministry in Chattanooga would have an impact into eternity, by 1MORE person coming to saving faith in Jesus.
- ~That those serving tacos at the AugustFest taco stand would bless the people in our area and that the proceeds would advance God's Kingdom for our Well ministries.
- ~That our families would seek first the kingdom of God during the busy summer weeks.

Thank You

Thank you to everyone that helped at Readers For the Son. The children loved singing, hearing stories, and reading books about Jesus' love.

Informational Meeting—TODAY

God continues to open doors for us to *Know Him and Make Him Known*. Over the past few years, we have refreshed many of our ministry spaces—new LED lighting in the chapel, an upgraded tech booth, and updated audio / video in the Fellowship Hall—all so that the gospel can be heard and seen with greater clarity. The next step is to install a digital screen on the back stage in the sanctuary and new stage lights to renew our outdated lighting and worship technology. We praise God for His incredible faithfulness to us, for He has provided the funding for these new updates through a generous anonymous donation. You are invited to an informational meeting after our worship service in the chapel TODAY to talk about these new updates that will be installed this fall. Additional information can be found in your church mailbox or in the office.
