Sermon Notes

Bit Timers Have Time for Small Timers

How do you treat the people in your life? Jesus is so refreshing, because he loves all people the same, no matter what their background, status, or age. He is calling us to love people the same way by seeing the difference between looking down on others from the Skybox and loving others face-to-face in the Sandbox.

- Skybox Christianity (Mark 10:13-14) “The disciples rebuked them”
- Sandbox Christianity (Mark 10:15-16) “Jesus took the children in his arms”

### Prayers And Praises

~For the Transformers (Young Adults Ministry) that has been by the grace of God growing at Gibbsville Church. They meet in our new chapel every other week. They are going on a mission trip to Tennessee. Pray for 1MORE person to be changed and saved by Jesus.

~Continued praise to God for faithfully blessing Gibbsville Church beyond what we could hope or imagine (Ephesians 3:20). We have wonderful teams of leaders and staff and our ministries are on mission *To Know God and Make Him Known*!

~The beauty of Wisconsin summertime from the green grass and farm fields, to the lakes and rivers and the colors of the flowers. We Praise God for His Creation!

### Sunday School Teachers

We are still in need of 4 Sunday School teachers!!! We need 2 teachers to co-teach our Preschool small group class and 2 more teachers to lead our high schoolers. We are also looking for a few more Sunday School assistants to help us monitor halls and collect our Sunday School offering. All positions will be on a Sunday rotation, serving twice per month, or as you are available. If you are willing to help, please contact Ashley Setzer at [Ashley@gibbsville.org](mailto:Ashley@gibbsville.org). Sunday School resumes on September 14 and we need to have these positions filled before then.

Please plan to attend one of our Sunday School Teacher meetings on either Wednesday, August 20, at 6 pm or Sunday, August 24, at 10:15 am, in the Chapel.

### Communion

Join us today, as we celebrate the sacrament of communion together.

### Missions On The Move

Our church-wide mission trip is scheduled for Saturday, October 25—Saturday, November 1, 2025. We will be working with World Renew in Floyd County, Kentucky, to assist with flood cleanup and repair. If you are age 14 or older, we would love to have you join us! Interested, but not wanting to do the heavy lifting outside? No problem! Our group has access to a kitchen and we must provide our own meals, so if you'd like to serve in that capacity, we have a place for you! Our final roster must be submitted in 3 weeks, so if you would like to sign up or have any questions, please connect with Keith Wilterdink or Jim Reese.

### Informational Meeting—August 10

God continues to open doors for us to *Know Him and Make Him Known*. Over the past few years, we have refreshed many of our ministry spaces—new LED lighting in the chapel, an upgraded tech booth, and updated audio / video in the Fellowship Hall—all so that the gospel can be heard and seen with greater clarity. The next step is to install a digital screen on the back stage in the sanctuary and new stage lights to renew our outdated lighting and worship technology. We praise God for His incredible faithfulness to us, for He has provided the funding for these new updates through a generous anonymous donation. You are invited to an informational meeting after our worship service in the chapel on August 10th to talk about these new updates that will be installed this fall. Additional information can be found in your church mailbox or in the office.
