We are now three weeks into our Sunday School routine, and it has been a joy to see families and children filling the lower level of the church once again. It is wonderful to witness how much the children have grown over the summer, and we look forward to seeing their faith continue to grow under the guidance of their new teachers in the months ahead.

If you have not yet registered your child(ren) for Sunday School, please take a moment to do so by scanning the QR code below or visiting the link on our webpage. Completing registration is greatly appreciated, as it provides our education department and teachers with up-to-date contact information and important details such as allergies.

MEMORY WORK

Our Sunday School students get to learn Bible verses and memory work throughout the year—and **guess what?** They can earn awesome prizes from our Prize Cart when they recite their verses! 🎉 The Prize Cart will be ready and waiting in the Fellowship Hall after each Sunday School hour, so don't miss your chance to pick something fun!

MEET LAURY

Thank you, parents and students,
for your generous offering in September!

Because of your faithfulness, we surpassed our monthly goal to continue sponsoring Laury through Compassion. Please continue to encourage your child(ren) in the practice of tithing—reminding them that even the smallest gift makes a difference.

WHAT ARE WE LEARNING?

3K - K PRESCHOOL

Our preschool classes are using a combination of **Answers in Genesis ABC Curriculum** and **Answers in Genesis Mrs. C & Me Preschool Curriculum**. We follow a two-year lesson rotation to give our preschoolers a solid overview of the Bible before they enter 1st grade.

In September, we focused on God's Word and His attributes, and in October, we will begin our **Mrs. C & Me** lessons on God's Creation.

1ST - 8TH GRADE

Our 1st-7th grade classes are using the **Answers in Genesis ABC Curriculum** and have begun Unit 1 of 20. Our curriculum covers the entire Bible in 5 years.

In September, we focused on Who God is, the Bible, and God's attributes. In October, we will continue our study with lessons on God's Word and the Holy Trinity.

Our 8th grade Sunday School class goes through the different religions and denominations as well as other biblical topics.

Our Nurture Committee is hosting a Fall Festival with games, food, crafts, decorated trunks and fun for the whole family. Admission is free and non-scary costumes are welcome. Bring the entire family. Signups for decorated trunks and candy donations are in the back of church.
