Please join me in welcoming Mikayla Rogers as my assistant in the Education Department beginning in 2026. She has grown up attending Gibbsville Church, Sunday School and our GEMS Girls Ministry from a young age. During middle school and high school, Mikayla attended The WELL. In recent years, she has enjoyed serving in Sunday School, GEMS and VBS.

We are excited to have Mikayla join the Education Department and look forward to how God will use her gifts to serve our church family and Children's Ministries.

"You Can Do It – and We're Here to Help"

You may recognize the slogan "You can do it. We can help!" It's often associated with ads and recent controversy; it's also a powerful encouragement for us as parents and as a church family.

We work hard to help our children grow in faith—bringing them to worship, Sunday School, and youth group—**yet still wonder if we're doing enough.** Often the challenge isn't resources, but time and consistency at home. I want to encourage you: **you can do it, and we want to help.**

As we begin 2026, it's a great time to start fresh. Our Sunday School classes are studying creation in Genesis and have reached the topic of sin. I invite you to join your children by reading through Genesis together at home—just one day a week with a Bible is enough to begin. Some families already have regular worship routines, and that's wonderful. Every family is different, and what works WILL change over time. Let our time and resources be led through prayer.

As we look to strengthen our Children's Ministry and home discipleship at Gibbsville Church, I'd appreciate your help by completing a brief, voluntary, and completely anonymous survey about your current home discipleship practices.

LAURY UPDATE

Would you help us?

In December, due to a short Sunday School month, we fell significantly sort of making our monthly goal to support Laury.

Please continue to encourage your child(ren) in the practice of tithing –reminding them that even the smallest gift makes a difference.

This opens up a great discipleship conversation!
