Large Group Time

Large Group Time is when engaging Bible lessons are taught. Children have opportunities to grow and deepen their belief in Scripture. Other elements, such as worship songs or announcements, often take place at this time.

Small Group Time

Small Group Time is when kids work one-on-one with their leaders to finish assignments in their notebooks.

Awana emphasizes memorizing and understanding key Bible verses that teach children to know and follow God. A series of awards reward their achievements at every level.

Game or Activity Time

This part of the evening cultivates teamwork, sportsmanship, and having fun! Game time allows all kids to be involved no matter their level or athletic ability. There will also be special group activities throughout the year.
