Ministries and Upcoming Events

Jacob's Well

Serving our local community through prayer, sharing the Gospel, and sharing people's basic needs, is what Jacob's Well is all about. If you're interested in serving in this way, **join us two Saturdays each month!**

Upcoming Youth Group

We're aiming to invest heavily in our Youth this coming year, as well as more ministries to families this year. Beginning in January, we'll begin having **two Youth Group Nights per month, on various Thursday evenings**. If you're interested in this, shoot Pastor Dylan an email at dylan@ne-cc.org.

Fellowship Fridays

This is a great time to eat, relax, and enjoy making friends no matter what your age! We play card games, video games, laugh, and get to know each other. If you're wondering where you can start to get to know folks outside of Sunday Services, this is a great place to start!

Classes

If you're looking to start your journey at NECC, Next Class is for you. If you're looking to grow in your walk with God, we're **beginning a new class called Practicing the Way, (Jan 14, 9-10am)** that aims to help you do just that. Whatever leg of the journey you're on, there's always a next step.

Celebrate Recovery

If you're struggling with hurts, hangups, or habits, CR is the group for you. This group is a place to process everything from addiction issues, to forgiveness issues, and everything in between. Join us **Fridays, 6:30-8:00pm**.

Leadership Huddles

Keep an eye on the calendar for strategic training moments throughout the year where we come together to learn, grow, and commit to making our church a place of excellence. All volunteers, leaders, or interested people are welcome to attend! These happen once per quarter.

Men's, Women's, Family, and More Events

Keep a regular eye on the calendar and announcements for Men's Breakfasts and Events, Women's Breakfasts and Events (forthcoming), Family and Kids Days, Youth Events, and more. We aim to care for the whole family, and grow together as a church family. We're looking forward to the year ahead, Merry Christmas and Happy New Year!
