EXODUS

“Christians affirm that God is more than one Person, but that each of those Persons is the same essence. We affirm that Jesus is one of those Persons. He is God. But in another respect, Jesus isn’t God—he is not the Father. The Father is not the Son, and the Son is not the Father. Nevertheless, they are the same in essence.

This theology did not originate in the New Testament...

There are two Yahweh figures in Old Testament thinking—one invisible, the other visible and human in form. Judaism before the first century, the time of Jesus, knew this teaching. That’s why ancient Jewish theology once embrace two Yahweh figures (the “two powers”). But once this teaching came to involve the risen Jesus of Nazareth, Judaism could no longer tolerate it.”

Judges 2:1-5

Exodus 23:20-33

¹ I brought you up from Egypt and brought you into the land I swore to give to your fathers.	²⁰ I send an angel before you to guard you on the way and to bring you to the place I have prepared.
² You have not obeyed my voice.	²¹ Pay careful attention to him and obey his voice.
³ You shall make no covenant with the inhabitants of the land.	²² You shall make no covenant with them and their gods.
² You shall break down their altars.	²⁴ You shall utterly overthrow them and break their pillars in pieces.
² I will not drive them out before you.	^{22, 27-28} If you carefully obey his voice...I will be an enemy to your enemies...I will make all your enemies turn their backs to you...drive out the Hivites, the Canaanites, and the Hittites from before you.
³ They shall become thorns in your sides, and their gods shall be a snare to you.	³³ If you serve their gods, it will surely be a snare to you.
