### Upcoming Events:

**February 12** – Preschool will be closed for Winter Vacation

\*\*We will begin Preschool Registration for the Fall of 2026 in January. If your child needs two more years of preschool, they will automatically move up to our Firefly Class. For those who only need one more year of preschool, they can be a Firefly or they can be a Grasshopper although openings in that class will be limited. I will know how many openings we have once all our current Fireflies are confirmed. If you have any questions, we will be glad to discuss it with you.

\*\*Little Friendships Preschool depends on word of mouth as our main advertising. There will be extra brochures and registration forms on the table for you to take to inform your friends of our program, especially our Honeybee Class. Thank you for your help!
