friendships, social skills,  
self-esteem and school  
readiness by offering many  
positive and fun learning  
experiences for your child.

We want to help your child  
learn Christian values  
through planned activities

# Little Friendships Preschool

2024-2025

Little Friendships  
Preschool  
wants children to  
experience the joy  
of learning!

We help children adapt to new  
situations in a loving  
environment.

We encourage children to  
interact positively with others.

We teach children that  
learning can be fun.

We introduce children to the  
learning process to make the  
transition to Kindergarten  
easier.

We offer extra fun and  
beneficial opportunities for the  
parents and the children  
throughout the year.
