

## Intro to Biblical Counseling: Connecting Biblical Truth in Practical Ways

### **Lesson 11: Towards a practical Model for Counseling**

*We get to function as God's instruments of change in people's lives. God brings about the growth and change. What approach do we have as we interact with other people? Is it refined or haphazard? May we model our love and care for others after the Lord's model with us.*

A Practical Counseling Model (Paul Tripp, Instruments in the Redeemers Hands).
