In light of all the above...

How should we as a church respond to those children who have no earthly father exercising these truths in their lives?

What role should the church play in training fathers in these areas?

How can we as a church do a better job of supporting fathers in these roles?

How do these roles relate to and differ from the role of mothers?

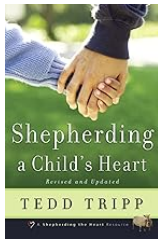

What if someone failed in these areas as a father, what role might they play in the church in relation to current or future fathers?

How do these roles and responsibilities relate to grandfathers? Deuteronomy 4:9; Psalm 78:1-8
