BIRTHDAYS & ANNIVERSARIES

Hello Kelleytown Family,

I am so ready for all we have before us in the month of October. I believe this month will be a major catalyst into the future King Jesus has in store for us. I've been so blessed by our times of worship recently. I've been blessed to be praying alongside of you all for our revival. The prayer guide for revival is so wonderful and helpful. The Scripture tells us of how special prayer is, it tells us how powerful prayer is, and it tells us how fruitful prayer can be. We have as much to pray over as we have to be thankful for.

James 5:16 tells us, "...the effective prayer of a righteous man can accomplish much" (NASB). So, we will pray. We must pray. There is nothing better we can do than pray. There is nothing more powerful that we can do than pray. There is nothing that brings greater blessing than for us to pray.

Keep praying for revival and our series of meetings. Pray for Bro. Jamey Ragle as he prepares to come our way.

Keep praying for UPWARD football and cheerleading. We are getting close to the end of the season, and we must keep watering the seeds of the gospel that have been sown into the hearts and minds of those precious kids.

Keep praying for our church family. We need each other.

Keep praying for our community and our country. We have no clue what God the Holy Spirit will do as we keep praying.

Keep praying for our missionaries overseas and those who are going into hard areas in the US to plant churches. We are currently making plans to go on a vision trip to Salt Lake City, Utah to see the work that is taking place there and how KT can be involved in taking the gospel to that state.

Keep praying for our Fall Festival on October 31st. Please bathe this ministry opportunity in prayer. I can't think of a better place to be and a better way to serve the Lord Jesus than during this time.

It pumps me up to think of how many times and in how many ways we are intentionally getting the gospel to the lost. Keep the main thing the main thing! God bless you. I love you all.

Serving Him,

Pastor Mike Rom 5:8

From Your KT Safety Team Ministry

Thank you all for your support of the efforts we put forth to make our services safe and secure for the church. We train on a regular and consistent basis to be ready to respond to situations that could occur in our uncertain world today. We have developed procedures to ensure a response in safety and medical alike.

Recently, we have experienced some medical needs that our teams have responded to and are thankful for our members who are very trained to respond to the needs. In any medical event, our protocol is to notify 911 for EMS and Fire Services and we have a designated member to accomplish this. We ask that in these events that church members please refrain from calling 911 as multiple people may call creating a call flood to 911 for the same event.

Please let us know if you have any questions or concerns and, again, thanks for your gracious support.
