

(Date)

Dear \_\_\_\_\_,

Thank you so much for taking the time to read this letter. I know life is busy, and I'm truly grateful you would take a moment to hear my heart.

This summer, I've been given an incredible opportunity, and I'd love to invite you to partner with me in what's ahead.

From July 20–24, 2026, I'll be participating in City Week with my student ministry, ASCEND. City Week is a local missions experience where we serve our community through hands-on projects like painting, clearing property, sorting donations, distributing food, and partnering with local ministries. We also spend time praying with families, visiting homeless camps, and sharing the love of Jesus throughout our city. It's a powerful, life-changing week, and I'm so excited to be part of it.

As I prepare for City Week, I'd love your partnership in two ways.

**First, would you pray?**

Please pray for me and our team—that lives would be changed and our community would experience the love of Jesus. Your prayers truly mean the world to me.

**Second, would you consider supporting me financially?**

The cost to attend City Week is \$300, which covers food, lodging, and transportation. Any amount you're able to give would be such a blessing, and I'm incredibly thankful for your support.

Thank you again for taking the time to read this and for prayerfully considering partnering with me. I'm excited to serve our community and be part of what God is doing this summer!

You can give in a few different ways: cash, check (made payable to \_\_\_\_\_), or through Venmo/CashApp. **(Students: please update this section with your personal or parent-approved giving options and remove this note.)**

Student Name

Student Signature (Ink signatures and additional notes add a special personalized touch)
