## MONTHLY MINISTRY HIGHLIGHT

Join the Food Ministry Team! We have a number of ways for you to be a part of this wonderful team. We need people to: prepare food before events, serve during events, clean-up after events. We also need people who would be willing to cook or bake something at home and drop it off at the church to be served during various events. Serving Love, one cookie or side dish at a time. Sign up at the Connection Center for the Food Ministry area(s) you are most interested in. For more info, call or text Frank Burnett at 530-353-9606.

## PRAYER EMPHASIS

We have a specific Prayer Emphasis during our worship gatherings together and encourage you to continue with us in that emphasis throughout the week. This week we will focus on **missions: for the impact of our Easter Offering project, for the McCoys while they are in Papua New Guinea, and for the Ramseys as they head to India this week.**

The Prayer Room (in the lobby) is open before and after Sunday morning worship. This is available to everyone, regardless of where you are on your faith journey. We have people there after Sunday morning worship services who can pray with you and for you, or you can use this space quietly on your own. God is ready to hear anything you have to say.

## **MEN'S BASKETBALL MINISTRY RESUMES THIS TUESDAY, MARCH 26, 6-8pm.**

**EMPOWERING LIVES THROUGH  
ECONOMIC STABILITY**

## **Sunday March 17th & March 24th**

Without opportunities for stable income, life can become focused only on survival. The inability to work, provide for basic needs and save eats away at personal dignity.

### **Around The World:**

- More than 700 million people live in extreme poverty, which means less than \$1.90 USD a day
- Poverty is multidimensional and has generational impact
- High poverty rates are often found in small, fragile and conflict-affected countries

### **How do economic development programs make a difference?**

Nazarene Compassionate Ministry (NCM) partners with local churches around the world to equip individuals and families to interrupt the cycle of poverty—and to enable parents to provide for their children with God-given dignity.

### **Economic Development Programs Provide:**

- Job skills training
- Vocational education and support
- Savings groups
- Help establishing small businesses
- Seeds and techniques to produce higher crop yields
