MISSION FOCUS

Dave & Sonya K. serving with Pioneers at MTSU
We have seen a change at ELS as we have gone from 80+ students to 36 which has reduced my involvement in the summer sessions but I plan to be back at the end of August to finish out the year. I am doing some personal tutoring and connecting with students and a few refugees who are around for the summer. One such family is O & A with three sons from Uzbekistan, they have been in the States for over 2 years. While the kids have enculturated well and have excellent English, the parents had a slower time at it. O works full time online and his wife takes care of the kids, helps him in his work and is beginning to focus on sharpening her English skills. I am tutoring O and his wife some and they have been a joy to get to know. They and their children attended church with us on Easter weekend and expressed great joy in the experience. Dave has been able to join me on Fridays for some tutor sessions and they invited us to a full course Uzbek meal. We have had some good discussions about God and Jesus. O asked what I believed about God. I told him in order to explain God I also need to share about Jesus and how He is the one that came from God to make all the difference for each of us to come back into a right relationship with God. As you can imagine this led to many other questions and I felt that, at least, along with the church service, he understood that Jesus is the only way to truly know we are right with God and our souls are set for eternity with Him when we die. Continue to pray for them and their family. Many of the international students have not gone home this summer due to the current visa climate, so pray for us to continue to interact with those who are on campus and take advantage of the slower pace to really connect with them. Continue to pray for Taro, Mai, MiMi, Shota and Kisheiro as they are readjusting to Japan. Pray for Haruka (a new believer) as she readjusts to Osaka and finds a good church there. Nara comes to Life Group regularly and seems to be growing in her faith. She asked for a Bible for her birthday and I was happy to oblige. Dave continues to head up the Following Jesus classes at our church and the church as a whole continues to grow and see many come to know Jesus and grow in their faith.

July Sunday School Offering - John & Amanda - serving with BMW
Your contributions this month will go toward helping John & Amanda with additional expenses that they have due to moving within the last year, medical costs and ministering in a country that is increasingly more expensive to live in.
