

## DAY 36:

# Unity in Diversity

God's Church is a masterwork of diversity — different gifts, different stories, different cultures — yet one Spirit. Like the body with its many parts, the Church thrives when each part is welcomed and celebrated.

Unity does not mean uniformity. It means harmony in difference. When we allow the Holy Spirit to shape our perspective, we begin to see others not as threats but as treasures. Let today be a prayer for unity — not by man's design, but by God's heart.

### Reflection Points

1. *Do I celebrate or resist differences in the Church?*
2. *How can I grow in love for those unlike me in background or gifting?*
3. *Where is God calling me to build bridges, not walls?*

### Prayer Points

1. *Lord, thank You for the beauty of diversity in the body of Christ.*
2. *Help me value others, even when they are different from me.*
3. *Create a Church that reflects heaven's harmony.*

### Confession

I am part of a diverse body. I celebrate every gift, every culture, every voice that lifts up Christ.
